Tasks

| _Name | Begin date | End date |
|---|------------|----------|
| Learning TensorFlow | 7/24/17 | 7/30/17 |
| Creating a Speech Recognition Sytem | 7/31/17 | 8/13/17 |
| In this task I should create a speech recognition system that can do below tasks: - It must be able to create transcript from a sound file - Save this transcripted text to a text file | | |
| Create a text summarization system | 8/14/17 | 8/27/17 |

In this task I should create a text summarization system in Tensorflow

3
